PROGRAM WORK

Pursuing national and regional program work like fast food chains, big box stores, and other retail opportunities can be daunting. With strict specifications, tight timelines, and competitive bids, it can be easy to dismiss these programs. By partnering with Gemini, we can ensure we help you meet the needs of your customer without investing in additional staff or costly materials and equipment.

DEFINITION:
PROGRAM WORK

Generally, a long-term, recurring project which continues on as program expands.
