

FABRICATED METAL

PREMIUM QUALITY AND ENDLESS POSSIBILITIES

Gemini’s fabricated metal signs are expertly crafted to your specifications. Constructed from robust stainless steel or aluminum, our manufacturing technology allows for letters as narrow as 3/8" and return depths up to 6". Choose from a variety of face finishes like metal, translucent vinyl, and custom painted hues. Our UL-certified LED lighting and power supplies ensures your sign meets regulations and safety standards. Fabricated metal signs stand up to the harshest environments.

DEFINITION

Gemini’s fabricated metal signs are precision-manufactured by welding or soldering stainless steel or aluminum into premium letters and sign elements that can be embedded with energy-efficient LEDs to illuminate the face or back of the sign.

SPECIFICATIONS

GO BEYOND THE ORDINARY WITH FABRICATED METAL SIGNS. ULTIMATE DESIGN FLEXIBILITY AND DURABILITY FOR YOUR MOST PROMINENT SIGNS.

DIMENSIONAL FLEXIBILITY

Our precision manufacturing technology allows for a wide variety of stroke-to-depth ratios, letting you achieve delicate strokes as narrow as 3/8" and return depths of up to 6".

FROM MINI TO MONUMENTAL

Our metal fabrication capabilities include structurally robust gauges of stainless steel and aluminum, allowing for sign elements as small as 2" or as massive as 10'.

BRING YOUR VISION TO LIGHT

Achieve a beautiful, diffused illumination with face or halo lighting options. Make a dramatic statement and provide outstanding visibility day and night. Our UL-certified LED lighting and power supplies ensures your sign meets regulations and safety standards.
