

RAISED PRINT

GUARANTEED DIMENSION, FULL COLOR, AND TEXTURE

Raised Print adds full color dimension to interior and exterior signage. Incorporate ADA-compliant braille, layered print surfaces and textures, and raised text on flat cut acrylic or metal materials. Whether you need interior, tactile wayfinding solutions for lobby signs or directories to storefront signs, Raised Print comes with our Lifetime Guarantee for interior and exterior installations. Combine with Colorlast to unlock even more design potential and appeal.

DURABLE AND ADA-COMPLIANT FULL COLOR PRINT SOLUTIONS FOR DIMENSION AND TEXTURE

ADA-COMPLIANT BRAILLE

We create durable, tactile Braille that meets ADA standards while maintaining readability and longevity. For wayfinding to branding, Raised Print combines functionality and exceptional quality to meet accessibility requirements seamlessly.

RAISED TEXT AND LAYERS

Raised Print is available in Flat Cut Metal & Flat Cut Acrylic. Whether you need interior, tactile wayfinding solutions for lobby signs or directories to storefront signs, Raised Print comes with our Lifetime Guarantee for interior and exterior installations.

COLORLAST AVAILABLE

Colorlast is an alternative solution to traditional painted surfaces. Colorlast combines painted base colors with printed details, offering a cost-effective and fast way to add multiple colors and gradients to your sign.
