PROMOTIONAL & BRANDING PRODUCTS

BESPOKE AND PERSONALIZED METAL PROMOTIONAL & BRANDING PRODUCTS

When quality and durability matter, Thin Gauge Metal Promotional & Branding Products provide a premium metal solution for branding and promotional applications. These durable solutions help distributors offer customers more ways to strengthen their brands and create lasting impressions. From custom name badges, membership cards, metal business cards to event invitations, journals, and coaster sets, Gemini combines exceptional craftsmanship, flexible customization, and high-volume production capabilities with no minimum quantities. Available in a wide range of high-quality metals and finishes, these products deliver the durability and permanence that paper and plastic simply cannot match.

FROM NAME BADGES TO BUSINESS CARDS, SELL PERMANENT PROMOTIONAL PIECES THAT YOUR CUSTOMERS WOULD BUY THEMSELVES.

PERMANENT BRAND EXPOSURE

Open the door to new revenue opportunities with promotional and branding products that hold long-term impression retention. Offer customers name badges, membership cards, desk nameplates, event invitations, journals and folios, and more—all from a single trusted manufacturing partner.

RETAIL-GRADE DESIRABILITY

When customers want their lifestyle brands to stand out, metal delivers. Choose from aluminum, stainless steel, brass, copper, and nickel silver, along with multiple printing and finishing methods, to create distinctive promotional branding products they would buy themselves.

NO MINIMUM QUANTITIES

Whether you need a small batch of executive business cards or thousands of personalized name badges, Gemini has the capabilities to deliver. Custom shapes, holes, corners, embossing, debossing, bending, variable data, and high-volume production make it easy to meet virtually any project requirement.
